Mayfield FC Safeguarding Policy

Mayfield Football Club take the Safeguarding of Children very seriously. Please see below our Safeguarding Children Policy and Procedures. This should be self-explanatory but if you have any queries or indeed need to discuss a Safeguarding issue, please contact Lucille Parsisson, Club Welfare Officer on 07591 189944 or email Lucille at lparsisson@yahoo.co.uk

On the Membership Application Form you have been asked to provide your email address. As well as keeping you up to date on matches and club news, this is to ensure that we can keep you up to date with Safeguarding news too.

Safeguarding Children Policy and Procedures

1. Mayfield Youth Football Club acknowledges its responsibility to safeguard the welfare of every child and young person who has been entrusted to its care and is committed to working to provide a safe environment for all members. A child or young person is anyone under the age of 18 engaged in any club football activity. We subscribe to The Football Association's (The FA) Safeguarding Children Policy and Procedures and endorse and adopt the Policy Statement contained in that document.

2. The key principles of The FA Safeguarding Children Policy are that:

- the child's welfare is, and must always be, the paramount consideration
- all children and young people have a right to be protected from abuse regardless of their age, gender, disability, race, sexual orientation, faith or belief
- all suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately
- working in partnership with other organisations, children and young people and their parents/carers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from poor practice and abuse. Mayfield Youth Football Club recognises that this is the responsibility of every adult involved in our club.

3. Mayfield Youth Football Club has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The Football Association's Safeguarding Children Regulations (see The FA Handbook) applies to everyone in football whether in a paid or voluntary capacity. This means whether you are a volunteer, match official, helper on club tours, football coach, club official or medical staff.

4. We endorse and adopt The FA's Responsible Recruitment guidelines for recruiting volunteers and we will:

- Specify what the role is and what tasks it involves
- Request identification documents
- As a minimum meet and chat with the applicant(s) and where possible interview people before appointing them
- Ask for and follow up with 2 references before appointing someone
- Require an FA CRB Unit Enhanced Disclosure where appropriate in line with FA guidelines.

All current Mayfield Youth Football Club members who are regularly caring for, supervising, training or being in sole charge of children and young people will be required to complete a CRB Enhanced Disclosure via The FA CRB Unit¹.

If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to become part of Mayfield Youth Football Club guidance will be sought from The Football Association. It is noted and accepted that The FA will consider the relevance and significance of the information obtained via The FA CRB Unit Enhanced Disclosure and that all decisions will be made in the best interests of children and young people.

It is accepted that The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the Safeguarding Children Policy and Procedures. Safeguarding Children Policy and Procedures opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of 'grooming' within football.

5. Mayfield Youth Football Club supports The FA's Whistle blowing Policy. Any adult or young person with concerns about a colleague can 'whistle blow' by contacting The FA Safeguarding Team on 0207 745 4787, by writing to The FA Case Manager at The Football Association, 25 Soho Square, W1D 4FA or alternatively by going direct to the Police, Children's Services or the NSPCC.

The Club Welfare Officer is the first point of contact for all club members regarding concerns about the welfare of any child or young person.

The Club Welfare Officer will liaise directly with the County FA (CFA) Welfare Officer and will be familiar with the procedures for referring any concerns. They will also play a proactive role in increasing awareness of Respect, poor practice and abuse amongst club members.

7. We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable at our club. If bullying does occur, all players or parents/carers should be able to tell and know that incidents will be dealt with promptly. Incidents need to be reported to the Club Welfare Officer in cases of serious bullying the CFA Welfare Officer may be contacted.
