HOW TO PLAY

Enter your 2018 World Cup knockout predictions with the correct teams and scores to win points. The person with the highest number of points wins. Match score predictions are at the end of 90 minutes normal time. If a match is drawn after normal time (e.g. 1-1), a winning team should still be entered based on who you predict will win after any additional extra time or penalties.

The top 2 teams in each group (A-H) qualify for the knockout stage of the competition. For example, in Match 1 (1C v 2D), 1C refers to the team you predict being placed 1st in group C versus 2D, your 2nd placed predicted team in group D.

1. Complete all 'yellow' boxes in order (including name and contact tel), starting from Match 1.
2. Select your predicated 1st or 2nd place team from the list of available teams in the drop down list. The lists of teams you can select are relevant to the match, based on either the initial group (A-H), or who you select as match winners as the competition moves towards the final.
3. Enter your predicated score for the match at the end of 90 minutes normal time. If a match is drawn after normal time (e.g. 1-1), a winning team should still be entered based on who you predict will win after any additional extra time or penalties.
4. Completed entries should be emailed to worldcup2018@mayfieldfc.co.uk by 16:00 Wednesday 13th June 2018.
5. Printed entries should be handed to team coaches by 16:00 Friday 8th June 2018.
6. It's £3 to enter with all proceeds to Mayfield FC. Please hand all money to coaches, regardless of email or printed entry. Alternatively you can make your entry payment on the door at the Mayfield FC presentation night 30th June.
7. A League table will be published and updated after each days knockout matches on our Facebook page.
